2021 Membership Application Form

As it is expected that 2021 will at least begin in a similar fashion to the way 2020 has ended in regards to the Corona Virus Pandemic. The 2021 HGC season can go on, but must be conducted with proper protocol to ensure everyone's safety to the greatest extent possible. Primarily this means keeping social distancing before and after golf rounds as well as on the golf course.

To this end, tournament fees and prize money will not be exchanged prior to and concluding rounds. Instead, means have been devised for exchanging money and are listed in the Options below.

There are multiple ways to win prizes with good play including prizes for lowest gross scores or net scores (with handicaps). Also, prizes for any hole-in-one and the option to participate in gross and net skins (single lowest score of the day for each hole). It is anticipated that closest to the pin prizes on each par 3 will be forgone again this season due to social distancing concerns.

Prizes in the form of pro shop credit will be distributed to the pro shop after each tournament. Prizes in the form of skins will be accumulated over the season and distributed to winners at the season's end. Accordingly, players have these options:

_____ Option 1; Annual Membership, \$160 the fee for playing in all tournaments covers tournament prize money and hole-in-one prizes. Skins Games participation is optional and costs an additional \$5 per game per tournament round. Complete the reverse side of this sheet to determine the total cost of your Annual Membership and return the completed sheet and your membership fee prior to the start of the season.

_____ Option 2, Limited Membership (for those that can only play in a few tournaments) \$50 membership fee. Plus, \$11 per tournament round to be played. Optional Skins Games participation in those rounds is \$5 per game per tournament round. Complete the reverse side of this sheet to determine the total cost of your Limited membership and return the completed sheet and your membership fee before your first tournament.

The HGC is open to all golfers, women and men. The tee markers played from are based on the player's handicap. Handicaps of 7 or lower men play black tees, women play blue tees. Handicaps 8 to 14 men play blue tees, women play blue/white tees. Handicaps 15 to 21 men play blue/white tees, women play white tees. Handicaps over 21 men and women play white tees. A player can choose to play from tees set above for players with lower handicaps then theirs as handicaps are adjusted according to the tee markers they are playing.

The HGC uses a tournament handicap system that in part uses the USGA handicap. Each player must have and maintain a USGA handicap which can be obtained in the pro shop.

Please mark your fee option choice and return this application form to the above address with your check payable to HGC.
