Tournament entries must be made at least 4 days prior to the tournament. Late entries are welcome but must report to the Golf Course the day of the tournament. We will make every attempt to get late entries on the course. Arrive at least 30 minutes prior to your tee-time.

No-shows will not be penalized, but we will remember that you stiffed us.

Tournament entry fee is usually \$10.00, payable on the day of the tournament.

All tournaments are Net, some are Gross (See attached Club Schedule). Handicaps will be based on the USGA World Handicap System. Unless noted otherwise for the tournament, tees are based on player's handicap. Your adjusted tournament score will be entered in the VSGA Handicap Program by the Seniors and Duffers Tournament Director when possible. Each player is responsible to ensure he or she posts all scores on VSGA outside tournament play.

Tournament awards including closest-to-the-pin for many events will be distributed in the form of pro shop gift certificates. Trophies are awarded for the Club Championship Match.
