Tournament entries must be made at least 4 days prior to the tournament. Tournament entry fee is \$10.00, payable on the day of the tournament. Late entries are welcome but must report to the Golf Course the day of the tournament. We will make every attempt to get late entries on the course. Arrive at least 30 minutes prior to your tee-time.

All tournaments are Net, some are Gross (See attached Club Schedule). Handicaps will be based on the USGA World Handicap System. Unless noted otherwise for the tournament, tees are based on player's handicap. Each player is responsible to ensure he or she posts all scores on VSGA outside tournament play.

Tournament awards including closest-to-the-pin for many events will be distributed in the form of pro shop gift certificates. Trophies are awarded for the Club Championship Match.

Memorial Bench Contribution: The Seniors & Duffers Club was started by Councilman Haley M. Smith in the early 1990s to give opportunity for players who were not comfortable in the more competitive leagues. Pete Bysura managed the S&D Club for approximately 25 years and was elected "President for Life" by grateful members. The old bench, honoring players who have passed away, was stolen two years ago. We now have an opportunity to replace the bench which will honor Pete and others. Contributions are voluntary and appreciated.
